Forecast For Wales
Issued by Met Office Exeter
at 0400 on Monday 19 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Another fine and sunny day, feeling hot.

Today:
Another fine and sunny day, with morning clear skies giving way to patchy fair-weather cloud going into the afternoon, and a slight risk of the odd sharp shower later for eastern areas. Feeling hot. Maximum temperature 32 deg C (90 deg F).

Tonight:
Cloud clears away through the evening, leaving another night of clear skies, allowing for a risk of patchy fog forming in prone locations. Remaining warm. Minimum temperature 14 deg C (57 deg F).

Tuesday:
Another fine, dry day, with plenty of sunshine and some fair-weather cloud. The odd very isolated heavy shower may develop through the afternoon. Feeling very warm, hot in eastern areas. Maximum temperature 31 deg C (88 deg F).

Outlook for Wednesday to Friday:
The hot weather will continue through this period, with plenty of sunshine, but also a risk of heavy, possibly thundery showers developing each afternoon.
